ⁱ **AUM**: Relevant AUM for fee basis depends on location of member's headquarter. If headquartered in Asia, relevant AUM is global AUM. If headquartered outside Asia, relevant AUM is the higher of AUM invested in, or sourced from Asia.

ⁱⁱ **Fee**: Membership in AIGCC is on a fiscal year basis, from July to June. One month's notice is requested to cancel membership. Dues already paid will not be refunded. Pro-rated fees are available for members who join after a fiscal year has begun.

^{III} Full Member: Members with assets under management / advisory are categorized as Full Members, even with other business activities that fall under Associate Member category.

^{iv} **Observer**: Available to asset owners, including sovereign wealth funds, insurers, pension funds, and endowments. Observer Members have 6 months to observe AIGCC activities, with possible extension on case-bycase basis. During this period, membership fees are waived and member name is not published. By the end of the Observer period, a decision is expected on joining as either Full Member or Supporting Entity.

^v **Supporting Entity**: Available to sovereign wealth funds and central banks. Same benefits and fees as Full Members, where member name is not published.

^{vi} **Associate Member**: Service providers, investment consultants, investment brokers, investment advisors, financial advisors and others that are not considered Full Members.

^{vii} **Industry Association**: Relevant industry associations.

^{viii} **Group Member**: We are pleased to apply a 30% discount off the regular fee for affiliated member entities in a group. Entities within a group each pay a membership fee, with 30% discount. AIGCC will work with you to determine single vs. group definition.

Updated as of May 2025. Subject to future review. Membership eligibility and terms subject to AIGCC discretion.

We endorse the mission of the AIGCC, which is that we will catalyse investor action on climate change to avoid dangerous global warming, responsibly manage long term risks and drive sustainable returns for investors and the beneficiaries they represent.

We will contribute to the Mission of the AIGCC by:

- Participating in the AIGCC by attending meetings, participating in working groups or initiatives and supporting activities
- Demonstrating progress in:
 - Incorporating the risks and opportunities associated with climate change into investment decisions or investment advice as appropriate, and into business operations
 - Assisting in raising awareness of the risks and opportunities associated with climate change in the investment industry, corporate, government or community sectors
 - Encouraging other organisations within the broader investment industry to join the AIGCC and support the AIGCC activities

We will seek to demonstrate progress in these areas in the following ways (please provide any examples of initiatives that your organisation is undertaking or intends to undertake in the next 12 months in this regard):

Where appropriate we will provide updates to AIGCC on activities that have contributed to the AIGCC Mission.

In the event of our admission as a Full, Observer, Supporting Entity, Associate Member, Industry Association or Group Member, we agree to be bound by the <u>Constitution of the IGCC</u> for the time being in force.
