

# AIGCC Summit 2026

## Sponsorship Prospectus

18 May 2026 | Singapore

## About the Summit

### Our inaugural summit on climate investment in Asia: 18 May 2026 | Singapore

2026 marks a decisive moment for climate and investment across Asia and the transition finance landscape is maturing rapidly – but unevenly – presenting both complexity and opportunity for investors with regional exposure.

AIGCC is uniquely positioned to step into this space:

- as the region's most credible climate investment convenor,
- as the trusted translator of complexity into actionable insights, and
- as the platform where investors align around leadership, competitiveness, and real-economy progress.

The AIGCC Summit 2026 will be the region's premier convening for institutional investors, policymakers, corporates, and financial institutions seeking to accelerate Asia's transition to a resilient, low-carbon economy. Building on IGCC's successful Australian Summit and AIGCC's expanding regional influence, the Summit will provide a high-impact, investor-led platform designed to convert climate commitments into actionable investment pathways.

Partnering with AIGCC to convene its Summit provides the following:

- **Brand leadership** across Asia's transition finance ecosystem
- **Direct engagement** with asset owners, asset managers, DFIs, corporates, and policymakers
- **Thought leadership opportunities**, including curated speaking roles and session partnerships
- **Visibility and influence** in shaping Asia's transition finance agenda

## About AIGCC

AIGCC is the leading network of investors in Asia focussing on risks and opportunities in climate and nature – which are key to investors' fiduciary duty.
